INTRODUCTION

KEY DIFFERENTIATORS

Design & Craft

From idea to finished product, our in-house team turns your concepts into premium, production-ready textiles with precision and creativity.

Ethical Production

Certified materials, flexible minimums, and strict quality control. Every piece is made responsibly, and to global standards.

Seamless Delivery

Transparent updates, reliable logistics, and end-to-end export support ensure your products arrive on time, every time.

SpunWorks Promise

From design to delivery, we combine creativity, craftsmanship, and reliability - giving global brands a seamless, sustainable, and transparent production experience.

YOUR TEXTILE PARTNER FROM CONCEPT TO DELIVERY

STAGE 2: PRODUCTION

- **Manufacturing** : Your textiles are produced in our quality-controlled facilities with regular updates and in-process inspections.
- **Quality Control** : 100% final inspection ensures every piece meets your specifications. Detailed QC reports with photo documentation.
- **Custom Packaging** : From poly bags to custom branded packaging, we handle all labeling and packaging per your requirements.
- **Timeline** : 4-6 weeks

STAGE 1: DESIGN & DEVELOPMENT

- **Share Your Vision** : Tell us what you need. Whether you have complete tech packs or just an idea, our design team works with you to create exactly what you envision.
- **Material Selection** : We source the perfect fabrics based on your quality standards, budget, and sustainability requirements.
- **Sampling** : Receive physical samples for testing and approval. We refine until it's perfect.
- **Timeline** : 2-3 weeks

YOUR TEXTILE PARTNER FROM CONCEPT TO DELIVERY

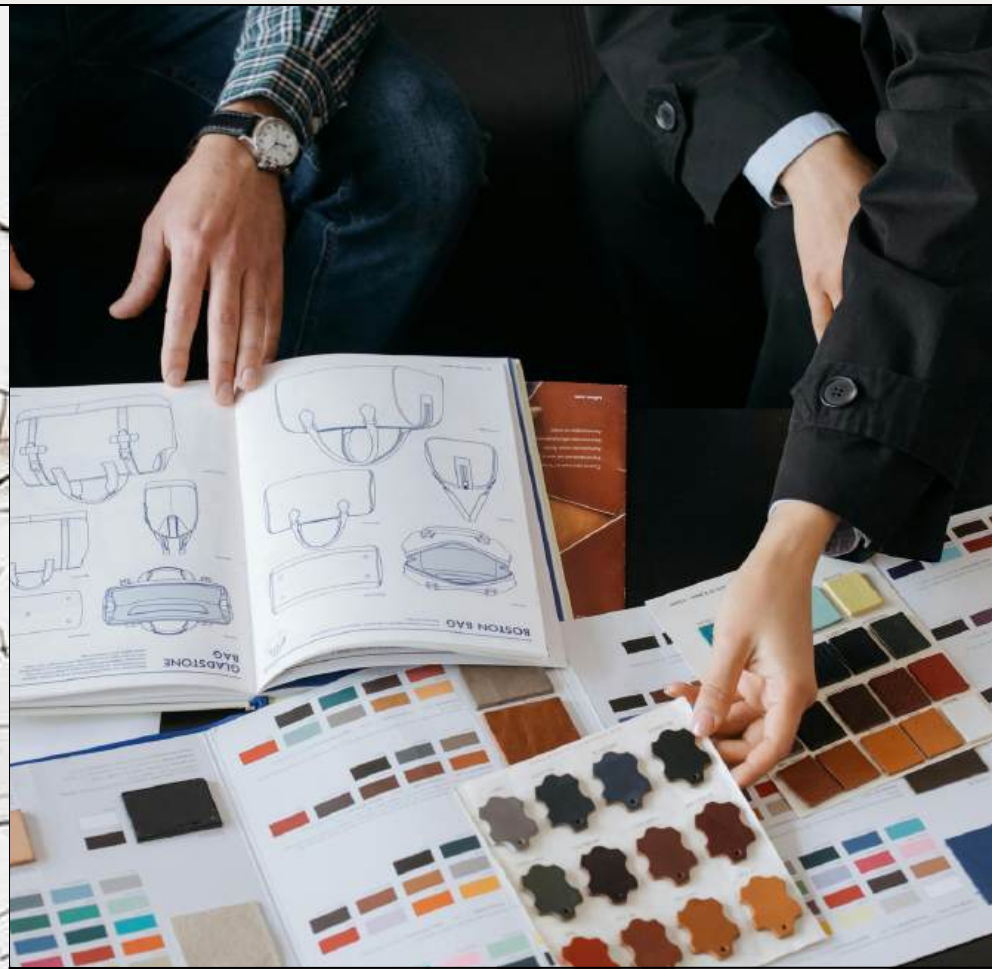

STAGE 3: GLOBAL SHIPPING

- **Export Documentation** : We prepare all commercial invoices, packing lists, certificates of origin, and compliance documentation.
- **Customs Clearance** : Our logistics team handles customs at origin and provides support for destination clearance.
- **Tracking & Updates** : Real-time tracking from container loading to your warehouse delivery.
- **Timeline** : 3-5 weeks (sea freight) | 5-7 days (air freight)

STAGE 4: ONGOING PARTNERSHIP

- **Dedicated Support** : Your Customer Success Manager ensures smooth reorders, answers questions, and helps plan future collections.
- **Scale with Confidence** : As your business grows, we grow with you. Increasing order volumes unlock better pricing and priority production.
- **Continuous Improvement** : We gather feedback and continuously refine our process to serve you better.
- **Long-term partnership** : Building trusted, long-term relationships through quality, reliability, and transparency.
